# Purpose

The purpose of the Spring Valley Boosters organization is to promote a strong and positive community through the development of cultural, educational, historical and athletic events and projects, for the benefit of its residents and area neighbors.

**Working  
Together  
For A  
Better  
Community**

In addition, our organization promises to aid, work with, and participate in the activities of other organizations, individuals and public and private entities located within and outside of Spring Valley, engaged in similar purposes.

The members of the Spring Valley Boosters shall include any interested residents; out-of-town business owners, managers or employees; or any other involved parties or organizations .

There are no membership fees.

# Goals

**Cultural** - organizing and bringing in music and art related events and projects.

**Educational** - involvement of the students in community events, as well as professional educational opportunities for its business owners, managers and employees.

**Historical** - through the promotion, protection and preservation of its coal, ethnic, music and conservation related history.

**Athletic** - development of activities around existing and new sport and physical programs.
